DISCOVER THE ART OF
RADIANT RENEWAL

AURORA DERMOCOSMETIC
COLLECTION

THE AURORA DERMOCOSMETIC COLLECTION

"Fuelled by innovation, enriched by nature, and designed to illuminate your journey to luminous confidence."

My dearest Friend,

Picture the soft hues of a golden dawn, the world quietly transforming under the embrace of first light, each ray heralding a promise of renewal, beauty and boundless potential. This exquisite moment of awakening, where nature's elegance meets its unyielding strength, inspired the creation of the Aurora DermoCosmetic Collection - a celebration of harmony between cutting-edge science and the timeless pursuit of radiant beauty, and ultimately... confidence.

With an unwavering commitment to excellence, the Aurora DermoCosmetic Collection introduces four remarkable formulations, each designed to nourish, protect and rejuvenate - helping you embrace your most luminous self and to share your light with the world.

First, we invite you to transform your haircare routine with the **HairPro+ Heat Protection Styling Mist**, the ultimate in premium skincare for your hair. Infused with the regenerative power of Copper Tripeptide, the antioxidant potency of Malachite Extract, and the hydrating benefits of Hydrolysed Collagen, this innovative formulation will elevate your haircare experience to an unparalleled level. With every spritz, your hair receives advanced protection against heat styling, leaving it looking frizz-free, feeling

silky-soft, and divinely scented. Every hair day can now be just the way YOU want it to be!

Nurture your complexion with the **DermoPeptide+ Copper and Collagen Serum** - a one-product peptide wonder designed to reset the clock. This serum combines Collagen-Optimising Peptides, Copper Tripeptide, and Malachite Extract to help improve the appearance of fine lines and protect your skin from environmental aggressors. Enriched with soothing Senna Seed Polysaccharide and a revolutionary skin-smoothing polymer, it delivers intense moisturisation and a soft-focus finish, unveiling a complexion that feels hydrated, shine-free and beautifully revitalised.

Embrace confidence in your skin with the **DermoErase+ Scar and Stretchmark Serum**, a revolutionary blend of modern science and ancient wisdom. Powered by Centella Asiatica Leaf Extract, Astragalus and Bonnet Bellflower Root Extracts, this serum is designed to help visibly fade the appearance of scars and stretch marks, unveiling skin that appears smoother, more even and radiant. Enhanced with soothing Aloe Vera and a luxurious medley of natural oils, this formulation will leave your skin feeling beautifully healthy, radiant and glowing!

"Enhance your natural beauty and turn every moment into a celebration of life's radiance,"

Finally, reclaim your calm with the **UltraSoothe+ NeuroCosmetic Calming Mist**, a multi-sensory innovation that refreshes and soothes both mind and body. Enriched with biofermented Matcha Tea and a unique blend of stress-relieving actives, this mist transforms your environment into a serene escape. With every spritz, it helps you reset and unwind - perfect for restoring balance and embracing tranquillity throughout your day.

May the Aurora DermoCosmetic Collection bring you joy and confidence as it turns every moment into a celebration of life's radiance. As the first light of dawn whispers of endless possibilities, may these products help you shine with renewed vitality, ready to embrace each day with grace and splendour.

Thank you for allowing us the privilege of being part of your journey to your most beautiful self. Your trust and belief inspire us to continue creating with passion and purpose.

In beauty, love and light,

Zark

Hair days that sweet dreams are made of!

Introducing premium skincare for your hair! With the inclusion of a collagen-optimising Copper Tripeptide, antioxidant-rich Malachite Extract, an innovative Heat Protectant, and a unique patented conditioning copolymer, this formulation delivers next-generation care and protection for both your hair and scalp. An award-winning moisture-regulating ingredient also helps to ensure sufficient moisturisation for your hair and scalp without weighing your hair down, all whilst enchanting your senses with a delicate floral aroma. The result? Hair that styles with ease, looks frizz-free, feels silky-soft and smells divine.

Turn up the volume for lively, luscious, healthy locks from root to tip!

DIRECTIONS: Shake well before use. After completing your shampoo and conditioner routine, lightly mist onto your wet hair and scalp. Follow with your normal hairstyling routine.

Tips for Ultimate Hair Fragrance & Care:

1

REFRESH YOUR LOOK

Spritz lightly onto dry hair between washes for a quick refresh and to enjoy its delicate floral aroma throughout the day

2

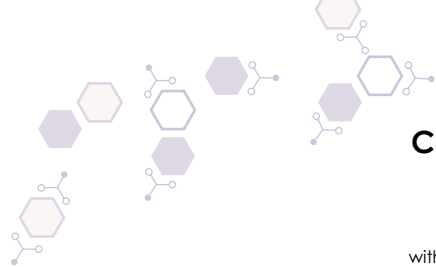

LAYER YOUR FRAGRANCE

Pair with your favourite fragrance for a harmonious blend that leaves a lasting impression

3

OVERNIGHT CARE

Apply before braiding or styling your hair for the night to wake up with smoother, softer locks with a delicate scent

DermoPeptide⁺ Copper & Collagen Serum

Perfect + Reset
with Collagen-Optimising Peptides,
Copper Tripeptide + Malachite Extract

DERMATOLOGICALLY APPROVED

Pollution
protection.

Can be used
day and night.

Dermatologically
Approved.

Just as nature intended!

This one-product peptide wonder was created to help reset the clock. The powerhouse combination of a Copper Tripeptide and Collagen-Optimising Peptides helps improve the appearance of fine lines and wrinkles, whilst antioxidant-rich Malachite Extract helps guard your skin against pollution and environmental aggressors. The formulation also contains a unique combination of soothing and nourishing agents, such as Senna Seed Polysaccharide and naturally-derived Betaine, which help to deliver intense moisturisation along with a novel skin-smoothing polymer, to blur over unwanted shine and irregularities. The result? A shine-free, healthy-looking and hydrated-feeling complexion.

Your skin's best future is now just one drop away!

DIRECTIONS: After toning in the morning and/or evening, apply your serum to your face, including your eye area, neck and décolletage. Follow with your specialised care products, day moisturiser or night cream.

SUN ALERT: This serum does not contain an SPF. Remember to apply an SPF of at least 15 with UVA and UVB protection, before spending time in the sun.

Tips for Use:

1

LAYER LIKE A PRO

For optimal results, apply immediately after cleansing and toning, and before heavier moisturisers or oils

2

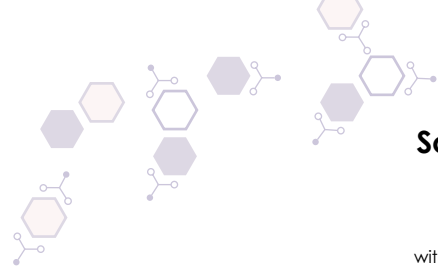

MAKE-UP PERFECTION

Use the serum as a primer before applying make-up to create a smooth, shine-free canvas

3

AM TO PM BEAUTY BOOST

Use morning and evening to reset the clock and guard your skin against daily environmental stressors whilst repairing overnight

DermoErase⁺ Scar & Stretchmark Serum

Fade + Revitalise
with Centella Asiatica Leaf Extract
+ Astragalus & Bonnet Bellflower Root Extracts

DERMATOLOGICALLY APPROVED

Confidence in every drop.

Can be used day and night.

Dermatologically Approved.

Say hello to the flawless skin of your dreams!

Help banish imperfections with this revolutionary serum, expertly formulated with ingredients known to assist in visibly fading the appearance of scars and stretch marks.

Combining ancient wisdom and modern science, allow the restorative and firming properties of Astragalus and Bonnet Bellflower Root Extracts as well as Centella Asiatica Leaf Extract to assist in leaving you with skin that appears smoother and more even. Enriched with ultra-soothing Aloe Vera and a luxurious blend of natural Argan, Jojoba Seed and Coconut Oil, your serum helps to replenish and revive, revealing skin that appears beautifully conditioned and radiant.

Embrace confidence with skin that looks healthy, radiant and glowing. Your new go-to for visibly refined beauty!

DIRECTIONS: In the morning and evening, apply your serum to areas affected by scars and/or stretch marks.

Tips for Achieving Smoother, Even-Looking Skin:

1

GENTLE APPLICATION

Apply the serum in small circular motions to the targeted area to ensure an even and soothing application

2

CONSISTENCY IS KEY

For best results, use twice daily, morning and evening, after cleansing your skin

3

LAYER FOR EXTRA CARE

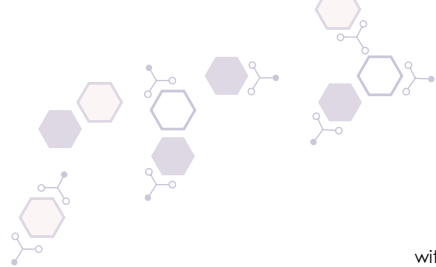

Follow with your Golden Miracle Tissue Oil to lock in hydration and enhance the serum's effects

4

COMBINE WITH MASSAGE

Before applying your serum, gently massage the area with your Bio-Contour Body Sculptor to improve product penetration and boost visible results

UltraSoothe⁺ NeuroCosmetic Calming Mist

Reset + Relax
with a Neurocosmetic Fragrance,
GABA + L-Theanine

CLINICALLY TESTED

Emotional and
physical well-being.

Neurocosmetic
Technology.

Pulse points, clothes
and surrounds.

Claim your calm, anytime, anywhere!

Embrace tranquility, soothe your soul, and restore balance to your day with this neurocosmetic innovation. Rooted in the "skin-brain-barrier" connection, it harnesses scientifically advanced ingredients for a multi-sensory escape. Enriched with Biofermented Matcha Tea for its calming, antioxidant benefits, and a MarineBiotech Extract to nurture your skin, whilst Magnesium, GABA, L-Theanine and a Neurocosmetic Fragrance help to ease stress and promote relaxation. Perfectly crafted to support both emotional and physical well-being, this mist is your ultimate companion for moments of peace and rejuvenation. Now you can reset, unwind and embrace the calm within.

DIRECTIONS: Shake well before each use. Hold the mist approximately 20 cm from your body and spray where desired, such as your pulse points, décolletage, hair or clothes. Allow the mist to settle naturally, embracing its soothing aroma and calming effect. Use as often as desired to refresh your senses and create a moment of tranquility.

Tips for Use:

1

MORNING RITUAL BOOST

After your skincare routine, spritz onto your décolletage and pulse points to start your day with calm, grounding energy

2

MIDDAY RESET

Keep your mist at your desk or in your bag. When stress builds, a few sprays on your wrists or over your clothes can instantly refresh your mood

3

EVENING WIND DOWN

Spray onto your pillow, sheets or hair before bed to help ease into sleep with its calming aroma
